- ▶ An accessible introduction to hockey.
- ▶ Helps develop and improve stick-handling and passing skills.
- ▶ Big emphasis on patience and puck possession.
- ▶ Instills creativity and builds confidence in hockey players of all ages.

STREET HOCKEY

A simple and practical solution to encourage the practice of hockey for those who have not been able to experience it due to financial limitations, lack of access to a rink, or skills necessary to skate.

- ▶ The cost of entry is only slightly higher than soccer, making it an incredibly viable development tool for the future of hockey in Mexico.
- ▶ Unlike other hockey variants that require skates, Ball Hockey is played in its most basic form. You only need a stick and a ball. It is possible to play anywhere, and the best thing is that you can enjoy the game all year round.

INTERCOLLEGIATE STREET HOCKEY

INTERCOLLEGIATE TOURNAMENT

It's a new hockey experience designed to appeal to kids and their families at a low cost. It focuses on providing fun, physical activity, friendship and great memories. Broncos Hockey invites all 4th grade elementary school children to join, where they will learn teamwork, creativity and resilience through a fast and fun game. The tournament was created with parents in mind, keeping the pressure, schedules and costs typically associated with hockey low. Plus, no skates or pads are needed and the rules are simple, making hockey more accessible than ever.

FIRST EDITION

- 4th grade primary school students from Gustavo Díaz Ordaz & Reynosa.
- 5 sessions of Learn to Play Street Hockey in their physical education classes at their schools.
- 1 tournament with participating schools.
- It will be provided:
 - sticks,
 - balls,
 - goals,
 - goalkeeper equipment,
 - instructors for the sessions,
 - referees for the tournament and
 - trophies.

The Broncos are organizing the Battle on the Border Tournament for the first time, in the winter of 2024. The tournament will bring together four teams from cities on both sides of the border, including McAllen, Río Bravo, Gustavo Díaz Ordaz and Laredo at the facilities of the "El Vivero" in Gustavo Díaz Ordaz.

PLAY FOR A GOOD CAUSE

Proceeds from the tournament will go to hockey programs in Gustavo Díaz Ordaz and Reynosa, including the Intercollegiate Street Hockey Tournament, Learn to Skate, and Learn to Play Inline Hockey.

“Participating in the tournament provides new hockey players with the opportunity to learn and play.”

THANK YOU
